- Oil: High-Efficiency Oil Furnaces, 80+ AFUE, - lifetime to original owner

PARTS WARRANTY:

If any part fails due to a defect in material or workmanship within five years from the date of original installation, a replacement part will be provided free of charge except for the freight costs which are the owner's responsibility. **NORDYNE** will not pay for parts purchased in the field from other than a **NORDYNE** distributor. The owner is responsible for all labor charges. Replacement parts are warranted only for the balance of the original warranty period.

COMMERCIAL USE - Standard One Year Limited Parts Warranty:

NORDYNE extends a standard limited warranty on the parts of commercial equipment for one year from the original purchase date.

Four Year Additional Compressor Warranty

If the compressor fails due to a defect in material or workmanship within the first five years from the date of original purchase, a replacement part will be provided free of charge except for freight costs, which are the owner's responsibility. **NORDYNE** will not pay for parts purchased in the field other than from a **NORDYNE** distributor. The owner is responsible for all labor charges. Replacement compressors are warranted only for the balance of the original warranty period.

Additional Heat Exchanger Parts Coverage for Gas Furnaces:

- Gas: High Efficiency Gas/Electric Rooftop Heat Exchangers - 10 year limited warranty**
- High Efficiency, 78/80+ AFUE, induced draft type - 10 year limited parts
- Super High Efficiency, 90+ AFUE, induced draft type - 20 year limited parts

** To transfer this warranty to a subsequent owner, please contact **NORDYNE**.

Conditions and Exclusions

The Limited Warranty only applies if the following conditions are met:

1. The equipment is installed in the United States, Canada, Mexico, or Puerto Rico. If equipment is installed/sold in any country other than those stated above, the warranty shall default to a 1 year parts only warranty.
2. The air conditioner/heat pump/furnace/air handler and/or accessories must be installed by a licensed or otherwise qualified dealer or contractor.
3. The air conditioner/heat pump/furnace/air handler and/or accessories must be installed in accordance with **NORDYNE's** installation instructions and in compliance with local codes. Improper installation will void warranty.
4. The air conditioner/heat pump/furnace/air handler/ accessories and/or replacement parts must be operated in accordance with **NORDYNE's** operating instructions provided with each unit. The product must not be misused.
5. The air conditioner/heat pump/furnace/air handler and/or accessories' rating plate must not be removed or defaced.
6. Evaporator Coil warranty: One year. Evaporator coils matched to **NORDYNE** outdoor sections will carry the warranty of that outdoor component, provided the model and serial number of the outdoor unit is submitted or identified when a claim is filed on the evaporator coil.
7. Proof must be supplied that the equipment has been properly maintained over the life of the warranty.
8. The units must be installed and located in North America.
9. This warranty is limited and does not apply to units that are installed in corrosive environments such as salt air.

There are no other express warranties, except as set forth above. **Any implied warranties of merchantability or fitness for any purpose relating to the parts of the unit shall terminate on the termination dates of the corresponding express warranties**

covering said parts. However, some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply. **Under no circumstances shall NORDYNE be liable for incidental or consequential damages resulting from breach of any express warranty or implied warranty including the implied warranties of merchantability or fitness for a particular purpose.** However, some states do not allow the exclusion or limitation of incidental or consequential damages, so this limitation or exclusion may not apply.

NORDYNE is not responsible for normal maintenance or service or for problems caused by improper installation, application, or operation of the air conditioner/heat pump/furnace/air handler and/or accessories. It is recommended that an annual preventive maintenance inspection be performed on the entire air conditioner/heat pump/furnace/air handler and/or accessories by a licensed or otherwise qualified dealer, service technician, or contractor. Improper maintenance will void warranty.

This warranty gives specific legal rights, and you may also have other rights which may vary from state to state.

Instructions to the Owner for Service

To obtain warranty service, you are required to show the servicer a bill of sale of the appliance or other evidence of purchase to establish the original date of purchase and proof of ownership.

If you suspect a defect in your air conditioner/heat pump/furnace/air handler and/or accessories or are in need of service, please contact the installer of the unit to obtain assistance. If unsuccessful, please contact a **NORDYNE** dealer or **NORDYNE** distributor in your area.
