MERIT® Plus
SERIES

The Merit® Plus series MPE-27 electric fireplace is a plug-and-play, go-anywhere option that offers the warmth and glow of a gentle fire in a dramatic contemporary setting. The realistic fire image, featuring exclusive Lennox glowing ember crystals and a “split oak” log set, is housed in a sleek lined modern chassis with an arresting bronze-tinted glass door. The standard remote control allows you to adjust the flame and ember bed intensity. And to ensure room temperatures stay consistent, the three-setting built-in thermostat cycles the standard 5,000 BTU heater on and off – keeping you warm and comfortable on a chilly day.

MPE-27
