

SHEPHERD DISTRIBUTION CO

TABL1000, TABL006, TABL028

Close-Up Repair Tapes

Description: TABL1000, TABL006 and TABL028 are lightweight, strong tapes made from a high strength woven/coated polyethylene fabric base. The tapes have a very high tack adhesive and come on a disposable "easy release" paper carrier.

Use: TABL1000, TABL006 and TABL028 are used to patch cuts and holes in mobile home bottom board materials. Shepherd Distribution recommends the tapes be used and stored in a heated area above 45°F for best results.

Size: TABL1000 roll size is 4" x 60 yards. (12 rolls per carton)
TABL006 roll size is 6" x 33.3 yards. (10 rolls per carton)
TABL028 roll size is 28" x 33.3 yards. (6 rolls per carton)
