## *Elements of Nature and StoneCrest Luxury Vinyl Tile receive FloorScore Certification*

June 10, 2015

Posey Supply is pleased to announce that our Elements of Nature and StoneCrest brands of luxury vinyl tile have been awarded the FloorScore Certification by SCS Global Services.

FloorScore is a certification program established by the Resilient Floor Covering Institute (RFCI) for hard surface flooring and flooring adhesives products that meet strict indoor air quality (IAQ) requirements. Products bearing the FloorScore label meet the indoor air quality emissions criteria of LEED, CHPS, The Green Guide for Health Care and are recognized by a long list of healthy building programs.

Posey Supply is proud to be able to provide our customers with quality flooring products that are as environmentally responsible as they are attractive. Please feel free to contact us for more information about our Elements of Nature or StoneCrest Luxury Vinyl Tile.

Sincerely,
